"HANDCRAFTED ON OUR DAIRY FARM IN THE FINEST WISCONSIN TRADITION"® • WATERLOO, WISCONSIN

Crave Brothers Farmstead Classics® are specialty, farmstead cheeses handmade with great care using Old World techniques. Cheeses produced include: Fresh Mozzarella, Mascarpone, Farmer's Rope® String Cheese, Part-Skim Mozzarella, and Fresh Cheddar Curds.

Crave Brothers Farmstead Cheese handcrafts our cheeses right on our farm in Waterloo, Wisconsin using only the freshest, high quality milk from Crave Brothers Dairy Farm. Our cows are fed homegrown, high quality corn, alfalfa and soybeans. They receive plenty of exercise, fresh air and individualized care.

Our farm emphasizes conservation and sustainable practices while consideration is given to what is best for the cows, the environment and the consumer.

When you choose Crave Brothers Farmstead Classics® Cheese, you are supporting locally owned family farms. We know you'll appreciate the fact that we use 100% green power, and practice water conservation and recycling. We're a carbon-negative company, too, which means we produce more power with our biodigester than we use for our dairy farm and cheese plant.

The Crave brothers farm in harmony with the land to produce quality milk and award-winning cheeses. Milk is piped directly from the dairy farm to the cheese factory within hours of milking for an incredibly flavorful, truly farmstead cheese.
